ABOUT

Description

This fully furnished 2+1 apartment is located on the seventh floor of Konak Twin Towers 3 in central Alanya. Offering 100 m² of living space, a southwest-facing position, two bathrooms and two WCs, it overlooks the pool and city. The residence is 600 metres from the sea and 900 metres from the city centre.

Furnished 2+1 apartment in Konak Twin Towers 3

- 2+1 apartment with 100 m² of living space
- Fully furnished
- Situated on the seventh floor
- Southwest-facing position
- Two bathrooms and two WCs
- Pool and city views
- 600 metres from the sea
- 900 metres from Alanya city centre

The 2+1 layout provides a practical arrangement for everyday living, with two rooms in addition to the main living area. Its 100 m² size gives the interior useful space for both permanent residence and longer stays in Alanya. The apartment is offered fully furnished, reducing the need to source the main household items separately after purchase.

Located on the seventh floor, the apartment benefits from a southwest-facing orientation and views across the swimming pool and surrounding city. Two bathrooms and two WCs are a particularly convenient feature for households, visiting family members or guests. The combination of a central setting, furnished condition and functional interior makes the property suitable for buyers who value an established home within a well-equipped residential complex.

Indoor, outdoor and wellness facilities

Konak Twin Towers 3 offers an extensive selection of shared facilities. Residents have access to both outdoor and indoor swimming pools, allowing the complex's leisure areas to be used in different seasons. Wellness amenities include a fitness room, sauna, steam room, Turkish bath and massage room. A pool bar complements the outdoor swimming area.

The landscaped communal spaces include a botanical garden, gazebos, relaxation areas and an artificial waterfall. A barbecue area provides an additional place for outdoor gatherings, while the children's playground gives younger residents a dedicated recreational space.

Practical services within the residence include indoor parking, 24-hour security and caretaker service. The central satellite system and internet infrastructure support everyday connectivity and home entertainment requirements. Together, these facilities create a residential environment designed for convenient year-round use.

Central Alanya location close to the sea

The apartment is positioned 600 metres from the sea and 900 metres from Alanya city centre. These clearly stated distances place both the coastline and central urban area within convenient reach. The location can therefore suit buyers seeking a home for their own use as well as those assessing a centrally situated property as an investment, without sacrificing access to on-site recreational facilities.
