- Social and family-oriented communal facilities

Montana Premium Residence offers facilities designed for recreation, exercise and daily convenience throughout the year. The outdoor swimming pool has a stated area of 137 m², while the 36 m² indoor pool provides an additional swimming option. Residents can also use the fitness facilities and sauna, as well as changing cabins and shower areas.

The complex includes a games room, TV lounge and meeting room, providing separate areas for leisure, socialising or organised activities. A children's play area adds a useful facility for families, while the barbecue area creates an outdoor setting for residents. Wi-Fi is listed among the site features. The generator supports the communal infrastructure, and underground parking offers a designated on-site solution for vehicles.

Kestel location close to the sea and daily services

The residence is situated 500 m from the sea and 6 km from central Alanya. Public transport is 360 m away, making it easier to reach other parts of Kestel and Alanya without relying solely on a private vehicle. Gazipaşa Airport is 33 km from the property, an important practical detail for buyers who travel regularly.

Everyday services and educational facilities are also close to the residence. Migros, BİM and A101 supermarkets, pharmacies, restaurants, a university, a college and schools are stated to be approximately 350 m away. This concentration of services can simplify daily shopping, dining and education-related routines while keeping the home within a residential complex offering a broad range of communal amenities.

The property is advertised as suitable for Turkish citizenship. As citizenship rules, valuation requirements and individual eligibility may change, buyers should obtain current confirmation from qualified legal professionals and the relevant official authorities before making a decision.
