ABOUT

Description

This fully furnished 4+1 sea-view villa in Konaklı, Alanya offers 250 m² of living space on a 350 m² plot. It features two bathrooms, three toilets, two balconies, a large terrace, private parking, and both private and shared pools. The beach is 300 metres away, social amenities are 200 metres away, and the listing is stated as suitable for a residence permit, subject to current official verification.

Key features of this furnished 4+1 villa in Konaklı

- 4+1 layout with 250 m² of living space
- 350 m² private land plot
- Fully furnished interior with TV, Wi-Fi and air conditioning
- Two bathrooms and three toilets
- Sea and mountain views
- Private swimming pool and access to a shared pool
- Two balconies and a large terrace
- Laundry room and barbecue area
- Private parking and generator
- 300 metres from the beach and 200 metres from social amenities

The villa combines a substantial indoor area with useful private outdoor space. Its 4+1 configuration provides flexibility for family living, hosting guests or creating a separate work or hobby room. Two bathrooms and three toilets support day-to-day convenience in a home of this size, while the dedicated laundry room helps keep practical household functions separate from the principal living areas.

The property is offered fully furnished and includes a TV, Wi-Fi and air conditioning. Two balconies and a large terrace extend the living space outdoors, taking advantage of the stated sea and mountain views. A private barbecue area provides an additional setting for outdoor dining. The 350 m² plot also accommodates a private swimming pool and private parking, giving residents independent facilities within the property itself.

Complex amenities and everyday convenience near the beach

In addition to its private pool, the villa benefits from access to a shared swimming pool. The wider residential facilities include a fitness area, sauna and Turkish bath, along with an on-site restaurant and café. Families with children can use the playground and children’s pool. A caretaker, 24-hour security and a generator are also included among the listed services and infrastructure.

The Konaklı location places the villa 300 metres from the beach and 200 metres from social amenities. Access to public transport is available, making it easier to travel within Konaklı and towards other parts of Alanya. These distances allow residents to reach the coast and local services without being dependent on long journeys, while the private parking remains useful for owners who prefer to travel by car.

The property is advertised as suitable for a residence permit. As immigration rules, location-based eligibility and individual application requirements may change, buyers should confirm the current status with the relevant official authorities and a qualified professional before making a purchase decision.
