Arranged as a triplex, the villa provides its accommodation across three levels. The 4+1 room configuration and four bathrooms/WCs offer a practical amount of space for a household seeking a substantial home in Konakli. Two balconies and two terraces add several outdoor areas to the property, allowing residents to make use of the local climate while enjoying the stated sea and nature outlook.

The villa is offered furnished, reducing the need to source all major household items before moving in. Its private swimming pool and private garden provide dedicated outdoor space for the occupants rather than relying only on shared facilities. A barbecue area supports outdoor dining and social use, while on-site parking adds everyday convenience.

Residents of Uygun Oasis Club 2 Villas also have access to a selection of complex facilities. These include a Turkish bath, sauna, fitness centre and playground. The development provides 24-hour security, along with access to a private beach and a beach shuttle service. The annual maintenance fee is stated as €3,500 and should be considered when assessing the property’s ongoing ownership costs.

Konakli location 500 metres from the sea

The villa is located in Konakli, within the Alanya area of Antalya, and is 500 metres from the sea. This distance, together with the private beach access and shuttle service, makes coastal visits practical without placing the home directly in the busiest waterfront setting. The combination of private residential areas and shared wellness, fitness and family facilities can suit buyers looking for a spacious furnished property for extended stays or regular use.

The property is described in the supplied information as suitable for residence purposes. As immigration rules, designated neighbourhoods and individual eligibility conditions may change, buyers should obtain up-to-date confirmation from the relevant authorities and qualified advisers before making a decision.
