The property is not suitable for a residence permit application.

Spacious furnished apartment in Rahime Apartmanı

- 2+1 apartment layout
- 135 m² of living space
- Second-floor position
- Five-storey residential building
- Offered fully furnished
- Bright and practical interior plan
- Façade information stated as C
- Quiet and well-maintained apartment building
- Not suitable for a residence permit application

With its generous 135 m² floor area, this property provides more space than many standard city-centre apartments. The 2+1 plan comprises two bedrooms and a living area, creating a functional arrangement for everyday use, longer stays or holidays in Alanya. Its bright interior and practical room distribution help make the available space comfortable and easy to use.

The apartment is offered fully furnished, reducing the need to organise furniture before taking possession. This makes it a practical option for buyers seeking a home that is already prepared for use. It is positioned on the second floor of a five-storey building, while the source information describes Rahime Apartmanı as a quiet and orderly residential building. The property’s façade designation is listed as C; prospective buyers can request further clarification about this classification during a viewing.

Central Alanya location for convenient daily living

The central location is one of the apartment’s main advantages. Markets, restaurants, cafés and various shopping points are nearby, supporting convenient day-to-day living without requiring lengthy journeys across the city. Public transport stops are also within walking distance, providing practical connections to other parts of Alanya.

This combination of a central address, spacious interior and full furnishings may suit buyers looking for a holiday property or an investment-oriented purchase in Alanya centre. No specific rental return or appreciation is stated, so purchasers should assess their plans according to their own requirements and obtain independent professional advice where appropriate.

The listing is explicitly described as not suitable for a residence permit application. As residence and registration rules can change and may depend on the buyer’s circumstances, this status should be checked with the relevant official authorities or a qualified professional before making a purchase decision.

Contact Alanya Home to request current availability, arrange a viewing of this furnished 2+1 apartment in Rahime Apartmanı, or obtain further verified details about the property and purchase process.
