The apartment combines a practical 2+1 configuration with a generous listed area of 100 m². Two bathrooms can provide additional convenience for everyday household routines, guests or longer stays. The two separate balconies also give the home useful outdoor areas without making assumptions about their orientation or view.

As the property is offered furnished, it may reduce the amount of initial preparation required before moving in. The exact furniture, appliances and other movable items included in the transaction have not been specified, so prospective buyers should request an up-to-date inventory and confirm the condition of all included items before making a decision.

The apartment is situated on the first floor of Alcon 15, an established residential complex in Cikcilli. The supplied property information does not state the total number of floors in the building, the apartment's orientation or its view. These points can be confirmed during a viewing, together with the current condition of the apartment and communal areas.

Complex Facilities and Daily Convenience in Cikcilli

Residents have access to a swimming pool and barbecue area within the complex, creating practical shared spaces for leisure. On-site parking is also available, although it is not stated whether the spaces are open, covered or individually allocated. A generator supports the complex, while the listed facilities also include a caretaker, a depot or storage area, and a 24/7 camera system.

The Cikcilli location provides convenient access to everyday services. Shopping facilities are approximately 50 metres from the complex, which can make routine purchases easy to manage. The beach is around 1 km away, offering a clear balance between residential surroundings and coastal access. The stated airport distance is 40 km, giving buyers an additional reference point when considering travel arrangements.

With its furnished 2+1 layout, 100 m² listed size, two bathrooms and two balconies, the property may suit buyers seeking an equipped home for regular personal use or longer stays in Alanya. Its first-floor position and range of communal facilities can be assessed according to the buyer's individual access, lifestyle and maintenance preferences.
