The apartment combines a practical 1+1 configuration with a generous stated area of 70 m². Its furnished condition may simplify the moving process for buyers who prefer a property with the principal furnishings already in place. The single balcony provides dedicated outdoor space, while the apartment's position on the second floor places it within the middle levels of the five-storey building.

The building was completed in 2015 and includes several useful communal features. A swimming pool offers an on-site option for leisure, while the garden adds a landscaped outdoor area for residents. The camera system is another established feature of the property. Together, these facilities support comfortable day-to-day use without overstating the scope of the complex.

Living 100 metres from the sea in Oba, Alanya

One of the apartment's most significant advantages is its verified distance of only 100 metres from the sea. This short distance makes the coast readily accessible and may suit buyers who place a high priority on regular seaside access. The Oba location also clearly identifies the apartment within one of Alanya's established districts, without requiring a long journey to reach the waterfront.

With its furnished interior, 70 m² size, balcony and access to a pool and garden, the property offers a straightforward combination of indoor comfort and shared outdoor facilities. The 1+1 layout can be considered by individuals or couples seeking a furnished Alanya property close to the sea.
