With 330 m² of floor space arranged across two storeys, this villa provides a substantial interior for buyers seeking a larger home in Döşemealtı. The 5+1 configuration offers five rooms in addition to the main living area, while three bathrooms/WCs provide practical facilities for everyday household use.

The property is offered fully furnished, helping buyers evaluate it as a complete residential option rather than an empty shell. Its current vacant status also means viewings and the condition of the existing interiors can be assessed without an occupant in residence. The villa was built in 2022, giving buyers a clear and recent construction date to consider during their property review.

A key feature of Villa Viola is its private outdoor space. The villa has its own garden and swimming pool, both reserved for the property. These areas add practical space for outdoor seating, recreation and time at home without relying on shared complex facilities.

Villa Living in Tomalar, Döşemealtı

Villa Viola is situated in the Tomalar neighbourhood of Döşemealtı, Antalya. The stated distance to the sea is approximately 20 km. This location may suit buyers who prioritise the space, privacy and outdoor areas of a villa while accepting a setting away from the immediate coastline.

The combination of a 5+1 layout, 330 m² of floor space, three bathrooms, full furniture, a private garden and an individual pool makes the property particularly relevant for buyers comparing larger villas in the Döşemealtı area. Its two-storey arrangement also separates the available space across the first and second levels.
