ABOUT

Description

This spacious 4+1 apartment for sale is located in Milana Residence in Hurma, Konyaalti, Antalya. Offering 200 m² of living space, it occupies the fifth and top floor of a five-storey building completed in 2019. The vacant, unfurnished property has two bathrooms/WCs and two balconies and is approximately 1.6 km from the sea.

200 m² top-floor apartment in Milana Residence

- 4+1 room configuration
- 200 m² of living space
- Fifth floor of a five-storey building
- Two bathrooms/WCs
- Two balconies
- Vacant and unfurnished
- Building completed in 2019
- Approximately 1.6 km from the sea
- Central location in Hurma, Konyaaltı

With its generous 200 m² interior and 4+1 configuration, this apartment provides the space required for a large household, a home office or additional guest accommodation. Its position on the fifth floor means it is located at the top of the building. Two bathrooms/WCs can make everyday routines more practical, particularly for families, while the two balconies extend the usable living areas beyond the interior.

The apartment is offered vacant and unfurnished. This allows the new owner to plan the rooms, select furniture and create an interior suited to personal needs without having to work around an existing furniture package. As the property is currently empty, it may also be considered by buyers who prefer a home that is ready for their own furnishing and decoration choices.

Milana Residence was completed in 2019 and offers an organised residential setting in one of Antalya's established urban districts. The residence includes communal-use features and social areas intended to support daily life, although the source does not specify the individual facilities. Buyers may request current details about the common areas and their conditions before arranging a viewing.

Daily convenience in Hurma, Konyaaltı

The property is centrally positioned in Hurma, a neighbourhood of Konyaaltı in Antalya. Markets, restaurants, cafés, schools, public transport and other everyday services are within easy reach. This practical setting helps residents manage routine needs without being isolated from the district's commercial and social infrastructure.

The sea is approximately 1.6 km from Milana Residence, providing convenient access to the Konyaaltı coastal area while retaining a neighbourhood setting. The combination of substantial interior space, nearby daily amenities and access to public transport makes the apartment relevant to buyers seeking a permanent family home in Antalya.

The property may also be assessed as an investment purchase, based on its stated location, size and room configuration. Any investment decision should be made after reviewing the property documents, current building information, running costs and local market conditions. No specific rental return or future value increase is implied.
