ABOUT

## Description

Located in Kargicak, Alanya, this furnished property occupies a 500 m<sup>2</sup> plot with a swimming pool. Furniture and household appliances are included, offering buyers a practical, ready-equipped option. The property also provides two garages, with enclosed garage parking among its useful features.

# Furnished Kargicak property on a 500 m² plot

- Location in Kargicak, Alanya
- 500 m² plot
- Swimming pool within the property grounds
- Furniture included in the offering
- Household appliances included
- Two garages
- Enclosed garage parking

The property stands on a clearly defined 500 m² plot, providing its own outdoor setting in Kargicak. A swimming pool is positioned within the grounds, allowing residents to enjoy the exterior space and access the pool directly from the property. For buyers who place importance on having outdoor space and an on-site pool, these are central features of the offering.

Furniture and household appliances are included in the sale. This existing equipment can make the purchasing and moving process more straightforward, particularly for buyers who prefer not to source the principal furnishings and appliances immediately after completion. Prospective buyers can request a detailed inventory from Alanya Home to confirm the specific items included before making a purchase decision.

Vehicle parking is another practical advantage of the property. It offers two garages and includes enclosed garage parking. An enclosed parking area can help shelter a vehicle from direct sunlight and changing weather conditions, while the total garage capacity may suit a household with more than one vehicle. It may also appeal to buyers who consider covered vehicle storage an important part of everyday property use.

The combination of a 500 m² plot, swimming pool, included furnishings and appliances, and garage capacity creates a convenient package for buyers assessing furnished properties in Kargicak. Each of these features is already part of the property, reducing the need to arrange major practical additions immediately after purchase.
