- Complex: Kavi Velux Residence
- 2+1 room layout
- 85 m² interior area
- Third-floor position
- Fully furnished
- One bathroom and one WC
- One balcony
- Sea and pool views
- Approximately 2 km from the sea

The apartment combines a practical 2+1 layout with the convenience of being offered fully furnished. Its 85 m² interior provides defined living and private areas, while the balcony adds an outdoor space from which the sea and the residence pool can be viewed. The third-floor position is also served by an elevator, making everyday access straightforward.

Kavi Velux Residence offers both indoor and outdoor swimming pools, allowing residents to use the complex's recreational facilities in different seasons. Its wellness amenities include a Turkish bath, sauna, steam room, salt room, Jacuzzi and massage rooms. A fitness centre is also available for residents who prefer to exercise within the complex.

The communal facilities extend beyond the pool and spa areas. The residence provides game areas and table tennis, as well as designated areas for football, tennis and basketball. A barbecue area and gazebo offer additional settings for spending time outdoors and using the shared grounds.

Practical features within the complex include a generator, elevator and camera surveillance system. Both open and covered parking are provided, giving residents alternatives for vehicle parking. Together, these facilities support comfortable day-to-day use of the residence without overstating what is included inside the individual apartment.

Kargicak location approximately 2 km from the sea

The property is situated in Kargicak, a district of Alanya, at a stated distance of approximately 2 km from the sea. This location may suit buyers who want a furnished apartment within a residential complex offering a broad selection of on-site leisure, wellness and sports facilities.

The combination of a furnished interior, balcony, sea and pool outlooks, parking options and extensive communal amenities makes the apartment relevant for personal use or as a holiday residence. Prospective buyers can evaluate the layout and facilities according to their own residential requirements.
