The 3+1 layout and 200 m² floor area provide substantial living space for everyday use. Two bathrooms/WCs offer practical convenience for a larger household or visiting guests, while the two balconies add separate outdoor areas to the property. As the home is offered fully furnished, buyers can assess it as a ready-equipped option without needing to source all principal furnishings immediately after purchase.

Air conditioning is specified as the property’s heating system. This provides room-based climate control and supports comfortable use through different seasons. Prospective buyers can review the placement and capacity of the installed units during a viewing to confirm that they meet their individual requirements.

The shared swimming pool and tennis court give residents access to leisure and exercise facilities within the complex. These amenities may be particularly useful for buyers who want recreational options close to home, without relying solely on facilities elsewhere in Alanya.

Tepe location with access to the Alanya coastline

The property is located in Tepe, one of Alanya’s established residential areas, and is 1.8 km from the sea. This clearly stated distance helps buyers compare the home’s hillside location with their preferred level of access to the coastline and central amenities. Exact routes and travel times can be checked during an on-site visit.

With its furnished status, large 3+1 plan, two balconies and shared sports facilities, this property is suited to buyers who prioritise space and practical complex amenities in Tepe. Its combination of indoor capacity and communal facilities also makes it relevant for extended stays or year-round residential use, subject to each buyer’s personal needs.
