The residence includes one bathroom with WC and one balcony. Its east-facing position allows the apartment to receive morning light, while air conditioning provides both heating and cooling. These features support straightforward year-round use without introducing complicated maintenance requirements.

Besthome 11 offers a selection of shared facilities designed to add convenience to everyday life. Residents can use the outdoor swimming pool and fitness room, while the building’s lift provides easier access to the third floor. A security camera system and an on-site attendant are also available within the complex.

Life close to the sea in Alanya’s Oba district

The apartment is situated in Oba, a preferred part of Alanya, and is only 300 metres from the sea. This short distance is a practical advantage for buyers who want regular access to the coastline while living in an established residential complex with on-site amenities.

The combination of a furnished interior, manageable 1+1 layout, third-floor position and communal facilities makes the property relevant for personal use or as a property purchase to be evaluated for investment purposes. Buyers should assess their own plans and review current market conditions before making an investment decision.
