The apartment combines a practical 2+1 arrangement with a total living area of 100 m². Its two bathrooms provide added convenience for everyday household routines, while the balcony creates a dedicated outdoor area connected to the home. The property is offered fully furnished, allowing buyers to assess the apartment together with its existing furniture rather than planning an entirely unfurnished interior.

Positioned on the eighth floor, the apartment benefits from mountain and city views. Its northeast-facing orientation is another clear detail for buyers who consider daylight direction and exposure when comparing homes in Mahmutlar. An elevator serves the building, providing straightforward access to the apartment within the 10-storey residence.

Shared facilities and coastal proximity in Mahmutlar

Crystal Life provides a selection of communal facilities for recreation and daily comfort. Residents have access to an outdoor swimming pool, fitness room and sauna. The complex also includes a children’s playground, making the shared grounds more practical for households with younger family members. Security cameras are part of the site infrastructure.

The residence is situated 450 metres from the sea. This measured distance is a useful advantage for buyers who want coastal access to remain within convenient reach without sacrificing the facilities of a residential complex. The combination of a furnished interior, 100 m² layout and on-site leisure amenities makes the listing relevant to buyers comparing established apartments in Mahmutlar, Alanya.

Completed in 2015, the building offers a defined residential setting with an elevator and several shared amenities already in place. The apartment’s higher-floor position, mountain and city outlook, two bathrooms and included furnishings distinguish it from more basic 2+1 alternatives in the area.
