ABOUT

Description

Our project is located in the Incekum area, close to the most beautiful beach in Alanya.

24 duplex villas being built on a plot of 7000 m2. At Rumi Villas, net and gross square meters and design are equal; however, the size of the garden and pool in the villas may vary. The complex is located 3.1 km from the sea. The rough construction of our structure, which began in December 2021, has come to an end, and in July 2023 it will be delivered in finished form.

COMPLEX FEATURES:
Private garden and swimming pool for each villa
Jacuzzi
Concierge
24/7 active security cameras
Underfloor heating infrastructure
Heating throughout the house and in the pool (including heat pump)

Start of construction: December 2021
Completion: May 2023
