ABOUT

Description

Located in the wonderful Kargıcak region of Alanya, our project, "Amazing Nature Life", rises on a 32-acre plot embraced by nature. Comprising 166 independent units, including 14 blocks and 42 exclusive villas, this magnificent structure seamlessly integrates luxury and comfort with nature. Our project is not just a residential complex; it promises residents an enjoyable life with a range of special social amenities.

The 14 blocks in our project are made up of two different types of structures. In the first type, there are a total of 8 units, consisting of:

Ground Floor

2 units of 1+1 Garden Units (Total 69 m²):

● Nestled in nature, these 1+1 apartments are surrounded by a private garden area.
● With a total area of 69 square meters, they offer a serene living experience. 2 units of 2+1 Garden Units (Total 91 m²):
● Immersed in nature, these 2+1 apartments are surrounded by a private garden area.
● With a total area of 91 square meters, they offer residents a peaceful living space.

First Floor

3 units of 1+1 Units (Total 53 m²):
● Stylishly designed 1+1 apartments with practical living spaces.
● With a total area of 53 square meters, these apartments are designed to meet the requirements of modern city living.

First Floor and Roof Floor Combination 1 VIP 3+1 Unit (Total 182 m²):

● A luxurious 3+1 apartment where luxury and comfort come together.
● With a total area of 182 square meters, equipped with spacious living areas, unique details, and high-quality standards.
● The combination of first floor and roof floor offers residents a privileged life.

The second type of block structure consists of a total of 10 units, including:

Basement Floor 2 units of 1+1 Garden Units (Total 80 m²):

● Nestled in nature, these 1+1 apartments are surrounded by a private garden area.
● With a total area of 80 square meters, they offer residents a peaceful living experience.

Ground Floor 2 units of 1+1 Garden Units (Total 69 m²):
