Luxury and Comfort Meet in 'Gold Bau 1' Private Villa .
Located in the unique nature of the Mediterranean, just 900 meters from the beach, this private villa offers an ideal opportunity for both investment and living. This detached villa with a living area of 250 m², completely renovated and meticulously furnished, promises you to just pick up the keys and enjoy the comfort.
Our villa is equipped with 3 spacious bedrooms, 2 modern bathrooms, a spacious and bright living room, a separate functional kitchen and a winter garden where you will have pleasant moments. It offers a complete living area with 2 balconies, an external toilet and shower, a large storage area, a private garage and a large private swimming pool.
This villa, meticulously designed in every detail, is a unique opportunity for those who want a peaceful life in touch with nature. Perfect for both summer and four–season living!
