ABOUT

Description

About the Project – Amazing Nature Life

Located in the beautiful and tranquil district of Kargicak, Alanya, **Amazing Nature Life** is a unique residential project spread over 32 acres of nature-embraced land. The project includes **166 independent units**, consisting of **14 residential blocks** and **42 exclusive villas**.

This is more than just a housing complex — it's a lifestyle designed for those who seek harmony with nature, modern comfort, and luxury living.

Residential Block Structures

The project offers two types of block structures:

First Type – 8 Blocks:

- **1+1 Garden Apartments (69 m²)** – cozy homes with private gardens, perfect for a peaceful lifestyle.
- **2+1 Garden Apartments (91 m²)** – ideal for families, with ample space and garden access.
- **1+1 Apartments (53 m²)** – modern and efficient design for city living.
- **VIP 3+1 Duplex Apartment (182 m²)** – a luxurious unit combining first floor and rooftop space, designed for privileged living.

Second Type – 10 Blocks:

- **1+1 Garden Apartments (80 m² & 69 m²)** – comfortable homes surrounded by greenery.
- **2+1 Garden Apartments (91 m²)** – perfect balance of indoor and outdoor space.
- **1+1 Apartments (53 m²)** – practical layouts with modern features.
- **VIP 3+1 Duplex Apartment (182 m²)** – spacious layout, top-quality materials, and a private upper level.

Each block offers **250 m² of living space** with **10 meters of private space between each unit**, ensuring privacy and openness. Between blocks, enjoy a **panoramic 150 m² infinity pool with jacuzzi** — a serene view at your doorstep.

Villas

The project features **two types of private villas**, with **total areas of 165 m² and 185 m²**, including:

- A living room with fireplace and gallery space
- Private garage (25 m²)
- Private infinity pool (27 m²)

- 10 meters of distance between each villa

These villas are designed to blend luxurious comfort with the natural surroundings, offering a tranquil escape for their residents.
